Date: June 6, 2018

Subject: Reschedule of the 2018 Annual Meeting

Dear Homeowners:

The RPOA Annual Meeting planned for this Sunday, June 10 at 2:00 PM is being rescheduled in the interest of safety for association residents. The Ranch is on pre-evacuation notice as of 3:30 PM on Tuesday, June 5 for the 416 Fire. The fire does not look to be contained for several weeks. The RPOA board will decide later on a date for the rescheduled annual meeting. If you have any questions then please email me at [president@rpoadurango.com](mailto:president@rpoadurango.com).

We will also reschedule the annual Garage Sale planned for Saturday, June 16 to a later date.

Thank you for your understanding,

George

PS – I have attached the most recent Incident Report for your information.
